**Sub: Support to the cause taken-up by Samta Andolan Samiti
regarding reservation in promotions.**

Dear Sir,

I fully endorse the efforts undertaken by your organisation in opposing the reservation in promotions, which apparently seems to aggravate the caste-schism in the society.

I feel, the ramification of the proposed Constitutional Amendment Bill, may be far reaching in disintegrating the social harmony and fraternity of our diversely unified democracy. I categorically deplore forces, which are instrumental in creating such divide and extend my unequivocal support to those opposing them.

I assure to mobilise my fellow-citizens to back me up in this tirade of social cause.

Thanks and with warm regards,

Yours Sincerely,

(M.S.Yadav)
